### 1. Minutes of last meeting

- Agreed and actioned

### 2. Feedback from the Sept PC Meeting on Mad-Sad-Glad

- The PC noted the initial finding that had been presented to them.

### 3. Review of M-S-G results to date

- Conclude with a summary to the PC by PI at their next meeting (October meeting)
- Steering Group to then review results and feedback to the community through Facebook, Parish Matters, Church Magazine etc

### 4. Make up of Steering Group & supporters to it

- Agreed that the SG needed to recruit more people to widen the spectrum and share the work load of progress this initiative.
- A number of possible candidates were suggested and it was agreed these should be approached.

### 5. Discussion on the level of CLP that we should progress with.

- Agreed that we didn't have the resources or commitment from helpers and the community at large to progress with a statutory Neighbourhood Plan.
- However we agreed to develop an "intermediate" level plan
- Looking at what other communities had done it seemed that the next stage may be the development of a questionnaire to be put out to all in the Parish.

### 6. Actions to progress chosen level of CLP

- Recruit helpers for the next stage which we currently think is developing a questionnaire to all households in the Parish.
- PI to contact Sue Thomas/Renee Wallace to ask what we need to do next, whether Shropshire Council approval needs to be sought and to recommend suitable questionnaires

from other similar communities that we could review to help us construct our own questionnaire.

#### 7. Next Meeting

- 7.30pm at the Millennium Hall on Thursday 2<sup>nd</sup> November 2017 (Not a Public Meeting)
