APM04/22 Community Governance Review

The Boundary Commission requires principal authorities to carry out a review of Divisional Boundaries which must start by October 2022 and complete by October 2023. The legal position is that the Divisional Boundary Review must take precedence and be completed before the CGR review can formally start. Nevertheless, local councils are being encouraged to consider their position, consult residents and submit informal views and comments to Shropshire Council all party working group via SALC.
